

MECON GmbH  
Roentgenstraße 105  
50169 Kerpen  
Germany

*Please enclose this form and the decontamination declaration with the goods.*

## Order for review

We kindly ask you to check the equipment we've sent to you, and to prepare a cost estimate for a repair or replacement unit.

We hereby confirm the assumption of costs (net plus VAT) for the following devices:

- |   |            |
|---|------------|
| • Inspection of a mechanical device         | 110,00 EUR |
| • Inspection of a magnetic inductive device | 220,00 EUR |
| • Cleaning and calibration check:           |            |
| ○ Turbo-Lux                                 | 278,62 EUR |
| ○ Turbo-Lux with traceability               | 439,24 EUR |
| ○ Turbo-Lux 2 + 3                           | 251,82 EUR |
